CHMS to Provide Full Association Management Services to the Association of Healthcare Value Analysis Professionals

Capitol Hill Management Services (CHMS), with offices located in Albany, New York and Raleigh, North Carolina, is pleased to announce that it has been selected to provide full service association management to the Association of Healthcare Value Analysis Professionals (AHVAP).

The Association of Value Analysis Professionals is an organization of nurses and clinical professionals whose expertise bridges the gap between clinical staff and supply chain process. AHVAP nurses and clinical professionals bridge the gap between the clinical consumers, patients, and the supply chain process. Members of AHVAP facilitate change within their organizations by incorporating their knowledge and clinical experience with a keen understanding of business and fiscal responsibility.

CHMS will be providing full-service administrative and operational support to AHVAP. Working alongside the association's Board of Directors, CHMS is committed to helping AHVAP achieve the highest level of performance and success for the organization and its members.

"CHMS welcomes AHVAP and looks forward to supporting the goals of its Board of Directors and its members in achieving their mission" said John A. Graziano, Jr., CHMS President. "We are very excited to get a jumpstart on the new year with AHVAP and to provide the association with high quality and professional management services to ensure AHVAP's success."

About CHMS

CHMS is a consulting firm specializing in association management, non-profit development, government relations, and public policy research.
