**Capitol Hill Management Services
to Provide Full Service Association Management
to the Association for Psychological Type International**

Capitol Hill Management Services Continues to Grow

Capitol Hill Management Services (CHMS) is pleased to announce that it has been selected to provide full service association management services to the Association for Psychological Type International (APTi).

The Association for Psychological Type International (APTi), founded in 1979, is an international membership organization open to any individual interested in personality type. APTi members come from a variety of backgrounds and professions including business and industry, organization development, religion, education, psychotherapy and counseling. APTi Members seek to extend the development, research, applications and ethical use of type theory.

CHMS will be providing full-service administrative and operational support to APTi, working with the association's President and Board of Directors to achieve the highest level of efficiency and success for APTi.

"We welcome the APTi to CHMS and look forward to providing the support and services they need to accomplish their mission of expanding awareness of personality type and its use throughout business, professions and in counseling and therapy." said John A. Graziano, Jr., CHMS President. We are pleased to work with the association's dedicated Board of Directors, staff and volunteers in ensuring a successful future."

About CHMS

CHMS is a consulting firm specializing in association management, non-profit development, government relations, and public policy research.
