**Capitol Hill Management Services
to Provide Full Association Management Services
to the Controlled Environment Testing Association**

Capitol Hill Management Services Continues to Grow

Capitol Hill Management Services (CHMS) is pleased to announce that it has been selected to provide full service association management services to the Controlled Environment Testing Association (CETA).

The Controlled Environment Testing Association, is devoted to promoting and developing quality assurance within the controlled environment testing industry. CETA reviews existing standards and develops new methodologies, works with government and regulatory agencies on issues affecting the controlled environment and contamination control industries, fosters the effective transfer of industry technology and information through an annual meeting and quarterly journal, and provides continuing education through technical journals, papers, and other publications.

CHMS will be providing full-service administrative and operational support to CETA and working with the association's President and Board of Directors to achieve the highest level of efficiency and success for the organization.

"We welcome CETA to CHMS and look forward to providing the support and services they need to accomplish their mission of expanding awareness of quality control and environmental and workplace safety," said John A. Graziano, Jr., CHMS President. "We are pleased to work with the association's dedicated Board of Directors, staff and volunteers in ensuring a successful future."

About CHMS

CHMS is a consulting firm specializing in association management, non-profit development, government relations, and public policy research.
