CHMS Association Manager Gerew Honored by The Association Forum
Brandi Gerew, CAE, Selected for "Forty Under Forty"

Capitol Hill Management Services (CHMS), with offices in Albany, New York, and Raleigh, North Carolina, is pleased to announce and congratulate Association Manager Brandi Gerew, CAE, who was named as a Forty Under 40 winner. The 5th Annual Award is presented by The Association Forum and *USAE Weekly* newspaper. This prestigious program recognizes 40 accomplished association or non-profit professionals who are under the age of 40, demonstrate high potential for continued success in leadership roles and exhibit a strong passion for - and commitment to - the association management and nonprofit industries. Besides the requirement of working in association management for 3 or more years, candidates must plan to continue in roles that aid the future of the association and nonprofit community and exhibit characteristics that demonstrate continued success and leadership skills.

Gerew joined the CHMS Team in January 2016 and leads several national associations at the firm's Raleigh, North Carolina office. In 2015, she was honored by the Association Executives of North Carolina (AENC) with the Rising Star Scholarship, presented to a young professional who demonstrates commitment and a bright future in the profession.

Gerew holds a Bachelor's in interpersonal communication from North Carolina State University and earned a Certificate of Excellence In Nonprofit Leadership and Management from Michigan State University's Learning Institute on Nonprofit Leadership and Management.

"We congratulate Brandi on this achievement in her career," said John A. Graziano, Jr., CHMS President. "We are pleased to have such a talented member of the CHMS Team recognized on the national level."
