Capitol Hill Management Services Association Manager Brandi Gerew Earns Certified Association Executive Designation

Capitol Hill Management Services (CHMS) is pleased to announce that Association Manager Brandi Gerew has been designated a Certified Association Executive (CAE) by the American Society of Association Executives.

The Certified Association Executive (CAE) designation is designed to elevate professional standards, enhance individual performance, and identify association professionals who demonstrate the knowledge essential to the practice of association management. Founded in 1960, the CAE Program stands as a mark of excellence and has evolved to reflect what it takes to manage an association in today's challenging climate. Today, less than 5% of association professionals have the honor of being called a CAE.

Gerew joined the CHMS Team in January 2016 and leads several national associations at the firm's Raleigh, North Carolina office. In 2015, she was honored by the Association Executives of North Carolina (AENC) with the Rising Star Scholarship, presented to a young professional who demonstrates commitment and a bright future in the profession.

Gerew holds a Bachelor's in interpersonal communication from North Carolina State University and earned a Certificate of Excellence In Nonprofit Leadership and Management from Michigan State University's Learning Institute on Nonprofit Leadership and Management.

"We congratulate Brandi on this significant achievement in her career. Earning the CAE is a testimony to her hard work, dedication, intelligence, and energy," said John A. Graziano, Jr., CHMS President. "We are pleased to have such a talented professional as part of the CHMS Team."
