Capitol Hill Management Services Association Manager Angie McGrath Earns Certified Meeting Professional Designation

Capitol Hill Management Services (CHMS) is pleased to announce that Association Manager Angie McGrath has been designated a Certified Meeting Professional (CMP) by the Convention Industry Council.

The Certified Meeting Professional designation is the foremost certification of the meetings, conventions and exhibitions industry; and the program recognizes individuals who have achieved the industry's highest standard of professionalism. Established in 1985 by the Convention Industry Council, Angie prepared for this important career milestone through the Meeting Professionals International Northeastern New York Chapter (MPI NENY).

Angie joined the CHMS Team in November 2009 and leads two New York State professional trade associations at the firm's Albany, New York office. In 2012, she was honored by the Empire State Society of Association Executives (ESSAE) with the Rising Star Scholarship, presented to a young professional who demonstrates commitment and a bright future in the profession. She currently serves on the Membership Committee of ESSAE.

McGrath holds a Bachelor's Degree in Communications from Russell Sage College.

"We congratulate Angie on this significant achievement in her career. Earning the CMP is a testimony to her hard work, dedication, intelligence, and energy," said John A. Graziano, Jr., CHMS President. "We are pleased to have such a talented professional as part of the CHMS Team."
