Capitol Hill Management Services Continues to Grow

Albany, NY- Capitol Hill Management Services, Inc. (CHMS) is pleased to announce the addition of three new association management clients during the third quarter of 2011.

Receiving complete association management services are the California Chapter of the American Massage Therapy Association representing over 3,000 massage therapists throughout the State of California and the New York State Coalition for the Aging, a provider of advocacy, professional development and education for organizations serving older adults.

Capitol Hill Management will be providing financial management services to Mediation Matters, a Community Dispute Resolution Center (CDRC) which offers mediation and other community based services. The financial management program developed by Capitol Hill is a unique service which offers quality financial services to not-for-profits at an affordable price.

###

Capitol Hill Management Services Inc., owned by John Graziano, Jr. is one of the pre-eminent association management, government relations and examination administration firms in New York State. CHMS provides an efficient and economical way to administer national, statewide and regional associations and organizations. For more information visit www.caphill.com
