### ***Capitol Hill Management Services Continues to Grow***

Capitol Hill Management Services (CHMS) is pleased to announce that it has been selected to provide government affairs services for the Association on Aging in New York (Aging NY), formerly known as the New York Association of Area Agencies on Aging.

Aging NY supports and advocates for New York's 59 mostly county-based Area Agencies on Aging (AAAs) and works collaboratively with a network of organizations that exist to promote independence, preserve dignity and provide support for residents of New York State as they age, giving them support to continue living independently.

"We welcome Aging NY to CHMS and look forward to providing the support and services they need to accomplish their mission," said John A. Graziano, Jr., CHMS President. Working with this group of dedicated professionals will enable us to develop a strong partnership committed to the success of the organization and its legislative agenda."
