THE NEW YORK STATE SPEECH-LANGUAGE-HEARING ASSOCIATION**

Capitol Hill Management Services Inc., (CHMS) has announced that The New York State Speech-Language-Hearing Association (NYSSLHA) has selected CHMS to provide the organization with financial management services to help ensure NYSSLHA's continued organizational stability through accurate financial reporting and analysis.

CHMS has previously partnered with NYSSHLA, providing continuing education services to NYSSLHA's members at its annual convention, fall workshops and numerous cooperative offerings. Under this new agreement, CHMS will expand its services to NYSSLHA to include financial services. "Non-profit leaders today are facing new pressures every day, from financial uncertainty to new rules and regulations governing their operations " said John Graziano, Jr., CHMS president. "The financial management team at CHMS looks forward to working with NYSSLHA as an industry partner to alleviate many of those pressures and to provide professional insight for navigating these challenging times." Graziano added.

The New York State Speech-Language-Hearing Association is a professional association that promotes advocacy and public awareness for all speech-language pathologists and audiologists in New York State and encourages the use of best practices within those professions through support of legislative initiatives and professional development opportunities.
