**Capitol Hill Management Services
to Provide Full Service Association Management
to the National Association of Patent Practitioners**

Capitol Hill Management Services Continues to Grow

Capitol Hill Management Services (CHMS) is pleased to announce that it has been selected to provide full service association management services to the National Association of Patent Practitioners (NAPP).

The National Association of Patent Practitioners is a nonprofit membership association dedicated to serving the needs of professionals working in the field of patent prosecution. Members include patent agents, patent attorneys, consultants associated with United States Patent Office activities, providers of products and services that support patent practitioners, and people who are on the path towards becoming patent practitioners.

CHMS will be providing full-service administrative and operational support to NAPP and working with the association's President and Board of Directors to achieve the highest level of efficiency and success for the organization.

"We welcome NAPP to CHMS and look forward to providing the support and services they need to accomplish their mission of expanding awareness and the reach of patent practitioners," said John A. Graziano, Jr., CHMS President. "We are pleased to work with the association's dedicated Board of Directors, staff and volunteers in ensuring a successful future."

About CHMS

CHMS is a consulting firm specializing in association management, non-profit development, government relations, and public policy research.
