***Capitol Hill Management Services Continues to Grow***

Capitol Hill Management Services of North Carolina (CHMS) is pleased to announce that it has been selected to provide financial management services to the North Carolina Dental Society (NCDS).

The North Carolina Dental Society was founded in 1856 and is one of the oldest dental societies in the country. NCDS represents nearly 3,600 member dentists, nearly 75 percent of the dentists in North Carolina. NCDS is a part of the American Dental Association.

CHMS will advise in all financial management issues and provide an analysis of financial statements to identify both positive and negative trends and to suggest strategies for success.

“We welcome the North Carolina Dental Society to CHMS and look forward to providing the support and services they need to accomplish their mission of supporting the Tar Heel State’s dentists,” said John A. Graziano, Jr., CHMS President. We are pleased to work with the organization’s dedicated Board of Directors, staff and volunteers in ensuring accurate and timely reporting of the Society’s finances and financial trends.”
