**Capitol Hill Management Services  
to Provide Web-Based Communication Services  
to the North Carolina Plumbing and Mechanical Association**

***Capitol Hill Management Services Continues to Grow***

Capitol Hill Management Services is pleased to announce that it has been selected to provide web-based communication services to the North Carolina Plumbing and Mechanical Association (NCPMA).

The North Carolina Plumbing and Mechanical (NCPMA) is the recognized resource for the advancement and education of the cooling, heating and plumbing professionals of North Carolina, for their growth, the health, safety, and comfort of society, and the protection of the environment.

CHMS will advise NCPMA on social media, website and other online communications issues and provide analysis of web activity to identify both positive and negative trends and to suggest strategies for success.

“We welcome the NCPMA to CHMS and look forward to providing the support and services they need to accomplish their mission of serving North Carolina’s cooling, heating and plumbing professionals.” said John A. Graziano, Jr., CHMS President. We are pleased to work with the association’s dedicated Board of Directors, staff and volunteers in ensuring successful online communications for NCPMA’s members, supporters and the public.”

**About CHMS**

CHMS is a consulting firm specializing in association management, non-profit development, government relations, and public policy research.
