Capitol Hill Management Services Continues to Grow

Capitol Hill Management Services is pleased to announce that it has been selected to provide web-based communication services to the North Carolina Physical Therapy Association (NCPTA).

The North Carolina Physical Therapy Association (NCPTA) represents and promotes the profession of physical therapy in North Carolina, and furthers the NCPTA member's role in the prevention, diagnosis, and treatment of movement dysfunctions and the enhancement of the physical health and the functional abilities of the people of North Carolina.

CHMS will advise NCPTA on social media, website and other online communications issues and provide analysis of web activity to identify both positive and negative trends and to suggest strategies for success.

“We welcome the NCPTA to CHMS and look forward to providing the support and services they need to accomplish their mission of serving North Carolina’s Physical Therapists.” said John A. Graziano, Jr., CHMS President. We are pleased to work with the association’s dedicated Board of Directors, staff and volunteers in ensuring successful online communications for NCPTA’s members, supporters and the public.”
