Capitol Hill Management Services Continues to Grow

Capitol Hill Management Services (CHMS) is pleased to announce that the New York State Volunteer Ambulance and Rescue Association (NYSVARA) has selected to locate its office to the Center for Non-Profit Development at Capitol Hill Management Services.

The New York State Volunteer Ambulance and Rescue Association, founded in 1939, is a statewide not-for-profit, 501(c)(3) membership organization, whose mission is to promote and assist the interests of the state's community volunteer and nonprofit EMS/First Responder/First Aid sector.

At the Center for Non-Profit Development, NYSVARA will have its office needs met, and its leaders will have the counsel and assistance from the entire CHMS Team. Through this collaboration, NYSVARA seeks to achieve the highest level of efficiency and success for its members.

"We welcome the NYSVARA to CHMS and look forward to providing the support and services they need to accomplish their mission of serving New York State's dedicated first responders." said John A. Graziano, Jr., CHMS President. We are pleased to work with the association's dedicated Board of Directors and volunteers in ensuring a successful future."
